

Auction 90

To take place on 18 April 2020

Please post bids to Peter McGowan, Nethergreen House, 9 The Green, Ruddington, Notts NG11 6DY Or email: petermcgowan2016@gmail.com

The deadline is Tuesday, 14 April 2020. Late email/postal bids cannot be recorded.

Ensure you include your current address and contact details. If you are bidding by email, please make sure you have received his confirmation of receipt. Successful bidders living outside the UK will be asked to pay for their lots before despatch. If two bids of the same amount are received for a lot, then the bid received first will take precedence, so early bidding is desirable. All lots now carry reserves, either at a default value of 75% of the estimate or at an undisclosed figure set by the seller. No bid will be accepted below the reserve. Take into account that some of our estimated prices appear rather too modest, and may be well overbid. We don't claim that these estimates are wholly consistent, so make allowance for this.

Remember that revised auction rules now apply.

NB: See the members' page of our website for images of this material.

REMEMBER when sending in bids that Peter McGowan's email address is now: petermcgowan2016@gmail.com so please ensure that you have deleted his old email address from your computer systems.

REPORT ON AUCTION 89 - HELD ON 7 DECEMBER 2019

Five committee members, supplemented by Messrs Robertson and Vevers, consumed coffee & mince pies, and were joined in spirit by two dozen other members who had entered their bids in advance by email. In our president's absence, Geoffrey Vevers had been invited to assume the role of auctioneer, and the fierce cracks of his gavel were interspersed with the distant sound of carols in Wesley's chapel above. Six members had provided much of the first half of the auction material, with most of the remainder coming from Catriona, widow of former member Ernest Pearce (1930-2012). Seven royal bookplates (lots 188-194) sold to buyers in China, Canada and the UK for a total of £1,010 (three times their unduly conservative estimate). The unique sketch for a WPB-style pictorial for Annie Mary Gertrude Twemlow achieved £90. A late 17thC or early 18thC bookpile of Sir Philip Sydenham warranted its price of £85. To the same buyer at this same sum went Edith Greene's bookplate for Lady Gregory, and also, for £65, engraver JAC Harrison's design for himself. Twenty 19thC labels for ladies sold very well at £65 (lot 84, est.£30). The 1977 book *Reynolds Stone - Engravings* realised £60, and Laurence Housman's pictorial for S Matthewman fetched £55. Excluding seven royals mentioned above, 49 lots sold at £30 or above (total £2,059, est £1,273), 95 lots sold in the range £10 to £29 (total £1,847, est £1,538), just 6 lots sold at under £10 (£45, est £55), and there were 37 lots unsold (est £599). The £4,961 aggregate sales value (est £3,820) was increased by £459 from several duplicate lots.
