

Auction 94

To be held online on 2 October 2021

The viral pandemic causes this auction to be run in the following way:

Stage 1: Email/postal bids to reach Peter McGowan by Monday, 27 September 2021.

Stage 2: Two days later a table of highest bids will be posted on the Members Area page of the Society's website. This will be repeatedly kept updated as further bids are sent in by email. Deadline: 14.00 hours BST on Saturday, 2 October 2021.

Stage 3: In the three hours until closure at 17.00 hours BST you may increase your **existing bids by ONLY TWO BID INCREMENTS above the top bid** shown from time to time in the bidding table online. Lots are awarded to highest maximum bids.

Stage 4: Lots remaining unsold will be listed online, available for immediate sale.

Please email or post bids to Peter McGowan, Nethergreen House, 9 The Green, Ruddington, Notts NG11 6DY E:
petermcgowan2016@gmail.com

Ensure you include your current address and contact details.

During Stages 2 and 3, check frequently the online bidding status of your bids.

If two bids of the same amount are received for a lot, then the bid received first takes precedence, so early bidding is desirable. Lots 1 to 240 are subject to reserves, either at the default value of 75% of the presale estimate or at a sum set by the seller (not exceeding the presale estimate). No bid will be accepted below the reserve, but you may, if you wish, send in bids at the 75% reserve (rounded up to the nearest pound). However, take into account that presale estimates are not a consistent guide to final price at auction, and may sometimes be greatly overbid. Lots 241 onward, mostly single bookplates, are not listed here. Images and minimum start prices must be viewed online. Successful bidders were asked to pay for their lots before despatch. Purchases to a combined value over £20 are sent insured.
