

Auction 80

Being held at 1.30pm on Saturday, 10 December 2016

Please post bids to Peter McGowan, Nethergreen House, 9 The Green, Ruddington, Notts NG11 6DY
Or email: peter.mcgowan2@ntlworld.com, by Tuesday, 6 December 2016.

Late entries will cause extra work and will most likely be disregarded.

Ensure you include your current address and contact details.

If you are bidding by email, please make sure you have received Peter's acknowledgement of receipt.
Successful bidders living outside the UK will be asked to pay for their lots before despatch.

If two bids of the same amount are received for a lot, then the bid received first will take precedence, so early bidding is desirable.

All lots now carry reserves, either at a default value of 75% of the estimate or at an undisclosed figure set by the seller.

No bid will be accepted below the reserve. Take into account that some of our estimated prices appear rather too modest, and may be well overbid.

Images of all lots are available on the Society's website (Members Area page). All bidders should view these images to get an indication of size and condition. Note that some of the material on offer in this sale has been removed with insufficient care from books, so watch out for tears, scuffs, thinned patches etc

FOR THOSE ATTENDING THE AUCTION: We recommend you view the lots online in advance, because the material for sale is quite extensive.

Bring your duplicates to offer for direct sale to those at the meeting.

Tea, coffee & mince pies are available to all who attend in person.

Abbreviations: Arm(orial); Pict(orial); sgd - signed; F(ranks); V(iner)

NB: See the members' page of our website for images of this material.
