

Auction 91

Takes place online, concluding on 3 October 2020

Given the continuing Covid-19 pandemic, members cannot attend a meeting in London, so this auction must again be run wholly on the internet, in stages:

Stage 1: Email or post bids to Peter McGowan by Tuesday, 29 September 2020.

Stage 2: On the next day, or as soon as possible thereafter, a table of highest bids will be posted on the Members Area page of the Society's website. This will be kept updated as you repeatedly send in further bids by email. Put in your bids before 14.00 hours BST on Saturday, 3 October 2020.

Stage 3: For four hours after this time your bidding will be limited to increasing your existing bids. Final closure at 18.00 hours BST.

Stage 4: You may then send in offers for any unsold items.

Please email or post bids to Peter McGowan, Nethergreen House, 9 The Green, Ruddington, Notts NG11 6DY E: petermcgowan2016@gmail.com

Ensure you include your current address and contact details.

During Stages 2 and 3, check that the online bidding table is including your bids.

If two bids of the same amount are received for a lot, then the bid received first takes precedence, so early bidding is desirable. All lots are subject to reserves, either at the default value of 75% of the presale estimate or at a sum set by the seller (not exceeding the presale estimate). No bid will be accepted below the reserve, but you may, if you wish, send in bids at the 75% reserve (rounded up to the nearest pound). However, take into account that presale estimates are not a consistent guide to final price at auction, and may sometimes be greatly overbid.

Successful bidders will be asked to pay for their lots before despatch. Purchases to a combined value over £20 will be sent insured.
